NEWS RELEASE

SUBJECT: Alternate Side Parking

WHEN: November 1, 2008 to April 1, 2009

The City of Tomah will start enforcing Alternate Side Parking beginning November 1, 2008 to April 1, 2009. The enforcement period is from 2:00 a.m. to 6:00 a.m. each night.

In order to be parked correctly you must use the last digit of your house number and the date at 2:00 a.m. to determine where you should park. If your house address ends in an even number and the date is an even day, you would park in front of your house. If the date is an odd day, then you would park on the opposite side of the street.

For those persons found in violation of Alternate Side Parking, parking tickets will be issued at a cost of \$15.00. If not paid on time, this fine steadily increases and can lead to your vehicle registration being suspended.

Any questions may be directed to the Tomah Police Department at (608) 374-7400.
